

*"I'm always looking for mentors,
but it is hard since I don't know anyone.
Even I find them,
it would be difficult & intimidating
to ask a question."*

Ana, motivated to learn about tech career
High school graduate from low-income family

An Open Mentoring Platform
that Connects Youth In Need to Professionals in Tech Industry

 **Democratized Access.**
Access to mentors from big compa-
nies. Make progress and get invited
to events to make connections.

 **Productive Experience.**
With a learn-by-doing and re-
warding design, Job Buddy keep
mentees motivated to learn more.

 **Engage Online & In-person.**
Enjoy smooth and productive
mentoring sessions with our help,
even if you're not well prepared.

*"Finding a mentee match was
tedious. And there was little
support for volunteering mentors
to teach better."*

Jack, 6 years of youth mentoring experience
Web Engineer from Bloomberg. L.P
